BLUEGRASS LEGEND Convention

## PETER ROWAN ONE NIGHT ONLY

**BLUEGRASS  
MUSIC  
EVENT NOT  
TO BE  
MISSED**

A night with Rowan offers ghostly echoes of Celtic and English folk songs, of sea shanties and blues, of field hollers and south-of-the-border exótica. He pulls it together under a loose bluegrass label: country 'n' western without the corn, if you like.' It is a voice which spans the gamut of music that became bluegrass. Like all the best artists, Rowan is no purist, just someone searching for the most effective way to express himself.
